

The Mansfield Public Library has great programs for ALL ages this summer. Our summer reading programs for kids, teens and adults offer fun incentives for reading, and you'll also find free, high quality, drop-in programs all summer long. Spend the day with us without spending a dime!

Program information is available at the library, on our website and will be sent home from school with other end-of the year information. Summer Reading Program runs from June 20th-August 17th.
